

## Why Sponsor?

Choosing to be a sponsor will help many of these young female athletes attain the opportunity for success in the AAU/USAV or Junior Olympic Volleyball Programs. These young women work extremely hard to learn the tools for success in athletics and in life. Most dream of a college volleyball scholarships. Our club directors, coaches and parents are working hard to turn those dreams into realities.

Power Volleyball Club is an organization of coaches and volunteers who teach student athletes the game of volleyball. Our teams play on the AAU (Amateur Athletic Union) and the USA volleyball circuit. Our athletes pay an average of \$4,100 to participate in a 6–10 month volleyball program. That is designed to improve player's volleyball skills and prepare them for exposure to college coaches and recruiters for potential scholarship opportunities. This money covers expenses such as liability insurance, team registration, tournament fees, uniforms, balls, miscellaneous equipment and facility needs. We are hoping that our community will step forward and assist those girls who need help raising funds.

Please consider supporting the efforts of these outstanding young women!

The goal of our club is to offer a means for these young ladies to develop positive attitudes towards teamwork, provide a structured environment for improving technical skills, offer competitive challenges utilizing those skills, provide a platform for college recruiters to see and evaluate these girls for scholarship opportunities, and ultimately improve player confidence and self-esteem increasing their chances for success in the future, whether on a sports team or corporate team.

Please check options attached. If you have any questions, please contact me via phone or email (my contact information is listed above). **Please make checks payable to Power Volleyball Club.** We thank you for your kind support!

Yes! I would like to be a sponsor for 2018-2019:
