All of our on-campus housing options are apartment style and our college campus, which is truly a campus and completely separate from downtown, is in walking distance to one of the up-and-coming downtowns in the entire Southeast. Recently voted as one of the top 5 places to live by "Outside Magazine" because of its LOCATION, climate, landscape, and outdoor activities, Chattanooga is located in the Tennessee Valley, with the Tennessee River cutting through the edge of downtown, and surrounded by mountains. UTC offers an amazing opportunity to be a student-athlete at one of the "sleeping giants" in the Southeast, when it comes to a growing university and campus, an ultra-competitive mid-major Division I athletic department, and a vibrant, clean, and safe city!
